

Appl. No. : 10/630,230  
Filed : July 30, 2003

COMMENTS

In the Notice of Drawing Inconsistency mailed February 6, 2006, the patent office has noted that an inconsistency exists in the Brief Description of the Drawings. Specifically, "Figure 6A" was listed in the Brief Description of the Drawings. However, this figure is not contained in the Drawings. The reference to Figure 6A was inadvertently inserted into the Brief Description of the Drawings in the Amendment filed on October 20, 2005. Through this Response Applicant seeks to remove the reference to Figure 6A.

Applicant notes that the issue fee for this application was paid on February 15, 2006. Clarification on how to respond to the Notice mailed on February 6<sup>th</sup>, 2006 was sought by calling the Office of Publication/Publishing. The Office instructed Applicant to file an Amendment as set forth herein.

The undersigned has made a good faith effort to respond to the Notice of Drawing Inconsistency with Specification mailed on February 6, 2006. Nevertheless, if any undeveloped issues remain or if any issues require clarification, the Patent Office is respectfully requested to call Applicant's attorney, Rabi Narula, at 949 721 2890 in order to resolve such issue promptly.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,
